ment.

pensation from the City of Maysville for such
service, unless the city shall first make a con-
tract with it for same.

their existence as auxiliary fire companies for
the City of Maysville until March 1st, 1911,
and they shall continue, under the jurisdiction
of the Fire Department as now established, to
render service similar to that heretofore re-
quired of them, and shall receive as compensa-
tion from the city for such service the same
as is now paid them.

are now repealed, and this ordinance shall be
in full force and effect from and after its
passage and publication.

NOVEL SUIT

A Keg of Maysville Beer Bore of
Contention—Judgment
For \$20

Monday a suit came up in 'Squire J. O. Pick-
rell's Court that is a little out of the ordinary
and called for a Solomon-like adjudication.

The fungus of the litigation starts from July
4th, when Lou Dickinson of Dover came to
Maysville and bought a keg of beer. He had
it shipped to Ripley, and in its transmission
through Dover to a point back of said town
the amber fluid was captured and confiscated
by Police Judge Smith of Dover.

Dickinson won first round.
It appears the amount of judgment given in
'Squire Pickrell's Court was by agreement of
counsel, in order that the merits of the case
might be tested in higher Courts.

In speaking of the case The Dover News
says:

"There are certain rights guaranteed to all
citizens, and under certain conditions liquor
may be shipped into dry territory, and this case
is being tried out to determine the rights of
the public and the authority of the town offi-
cials in the premises. It promises to become
quite expensive to somebody, and up to the
end of this chapter the town has the hot end
of it. The beer is still in the keg."

"We installed one of your No. 739 Underfeed

We have found the furnace very satisfactory in-

"STEVENSVILLE"

Is Said to be the Name of New C. and O. Town—Vast Improvements Under Way

The new town which the C. and O. is building at Glen Park, just below Melbourne, is to be named Stevensville 'tis said, in honor of President George W. Stevens of the C. and O. The Company now owns 300 acres of land there and is constructing the largest yard system on the entire line. There will be trackage for 9,000 cars, besides extensive shops, round-houses, etc.

One firm of contractors has the contract to fill in 5,000,000 cubic yards of earth. It is the biggest job of filling along the line of the C. and O. and calls for an average fill of 8 feet for half a mile square. Beautiful Glen Park has already been cleared away and the picturesque, winding stream and magnificent grove are wiped off the map and are now replaced by mud fills, trackage and the noisy cars and locomotives.

Stevensville is to be a town of 2,000 population in three years, as over 200 families and all the Covington shops will be removed to the new location 12 miles East of Covington.

The C. and O. road is being practically rebuilt from Ashland to Dayton. There are now 47 steam shovels at work on this division and, an immense amount of work will be accomplished this year.

It is not yet known whether the road through Dover will be changed and moved back South of town to the foot of the hill as reported.

All grades on the road are being brought to a level at a million dollars expense, and when finished, it is the purpose to have nearly an air-line from Ashland to Newport.

The Internal Revenue Storekeepers and Gaugers of the Seventh District of Kentucky will meet at Lexington tomorrow night to choose four delegates and two alternates to attend the Convention of the National Federation of Internal Revenue Storekeepers, Gaugers and Storekeeper-Gaugers, which will be held at Cincinnati September 13th and 14th. Among those mentioned for delegates is Mr. Oscar Grigsby of this city.

CROSBY RAMEY

Shocked By a Live Wire, Falls From a Dizzy Height—Remarkable Escape

Last evening, about 5 o'clock, Mr. Crosby Ramey, an employee of the Maysville Electric Light Company, was the unfortunate victim of a distressing accident.

He was working on a pole directly opposite Judge Whitaker's residence on the South side of East Third street, and was engaged in making some needed adjustment near the cross beams, when in some manner his body came in contact with a live wire and he was hurled to the brick street, a distance of some twenty feet or more.

Eye witnesses were horrified at the sight of his fall. Miss Giltner was sitting at the front window of her room in the second-story of Judge Whitaker's residence. Her attention was attracted by hearing an exclamation—"Oh, my God!" and glancing out of her window saw the form as it struck the pavement in a recumbent position and his head and body falling back upon the pavement. She hastened to his side, and, with others, rendered aid until the arrival of Drs. Smoot and Taylor, who had him placed upon a cot and removed to the home of his parents, Mr. and Mrs. C. T. Ramey, corner Third and Limestone.

After a thorough examination it was found that the young man was suffering from an electric shock, and that there were no bones broken or internal injury. This morning he is quite lively and expects to be out today.

Mr. and Mrs. J. S. Cablish are entertaining a new son at their home at Charleston, W. Va.

STRUCK BY LIGHTNING

Yesterday evening during an electrical storm a barn on the farm of Mrs. Fanny Hays, situated on the Hill City pike near Washington, was struck by lightning and barn and contents were entirely destroyed. Mr. Isaac Mason, tenant on the place, lost fifteen tons of hay, all farming implements and \$200 worth of wheat, with no insurance. Mr. Dan Coughlin was in the barn and escaped without injury. The barn was insured for \$300.

The C. and O. is to make extensive improvements at South Portsmouth that will cost \$100,000.

Colonel L. T. Anderson, who has been ill and confined to his room, more or less, for several weeks, is improving slowly.

Mr. and Mrs. J. J. Hoffman of San Antonio, Texas, were the guests of L. T. Anderson of Point-a-View Stock Farm for several days this week. Mr. Hoffman is a wealthy real estate man, and was here inspecting Colonel Anderson's blooded stock with a view of purchasing a pair of high-class horses.

WHERE SURGERY FAILS

CUTTING WON'T REMOVE THE CAUSE OF PILES

Piles mean more than merely the pain of the stubborn little tumors. There is a condition inside that must be dealt with. Cutting is usually followed with later and worse attacks. A permanent cure can only be made by bettering the condition of the parts and getting a free circulation of the blood.

Hem-Roid cures all kinds of piles by internal action right on the cause. Sold by J. James Wood & Son, Maysville, Ky., and money back if it fails. \$1 per bottle. Dr. Leonard, Station B, Buffalo, N. Y.

BIG MORTGAGE

RICHMOND, September 7th.—The C. and O. Railroad today filed a mortgage of \$40,000,000 on the property of the C. C. and L. to secure a bond issue of that amount to improve the latter road.

LOSE ONE—TIE ONE

Frankfort Puts it On Us Bad—Last Game Good Ball

Yesterday afternoon's two games between Maysville and Frankfort drew 200 paid admissions to the grounds. The rain in the fore part of the day deterred many from going.

The first game, seven innings, was about as bad an article of ball put up by the home team as one would care to witness, the score resulting as follows:

	1	2	3	4	5	6	7	8	9	R	H	E
Maysville	0	0	0	0	0	0	0	0	0	0	0	0
Frankfort	2	0	0	3	1	2	0	0	0	8		

The second game, with Chase pitching, was superb, and during the seven innings neither Frankfort or Maysville scored a run, the shut-out being mutual.

POOLING IS ILLEGAL

Holds Ohio Judge, Who Does Not Recognize Burley Contract

At Georgetown, Ohio, Monday, Common Pleas Judge Bambach handed down a decision in the case of the Burley Tobacco Society against Henry L. Cahall. Cahall pooled his tobacco under the Society contract, which provides a forfeiture of 20% of the price received for the tobacco if sold and not delivered to the Society.

Cahall sold his tobacco to the American Tobacco Company and suit was brought to recover the 20%.

The Court holds the pooling of tobacco to be a Trust under the laws of Ohio, and that the Society cannot recover.

This is the first decision on this question in the State of Ohio and the case will be taken to the upper Courts.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty-cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind. J. P. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address to Dr. W. B. Caldwell, R-67 Caldwell building, Monticello, Ill.

J. JAS. WOOD & SON, Druggists, Maysville.

Mr. John Moran of Cincinnati was up yesterday attending the sale of the Moran heirs' property in Fifth street. Mr. Basil Tolle was the purchaser at \$600 cash.

Mrs. Grimes of the Fleming pike, while walking up Market street yesterday evening, was taken with a bleeding at the nose, and, after attention by Dr. Brand, was removed to her home in the latter's automobile.
